Backstretch:

Jockey Agent Al Raymond called to inform us that Kirk Johnson would be riding at Woodbine as they were off the turf and his mount drew in, prefers to ride at Woodbine. Was reminded about being named at both tracks and make the decision prior to the program going to print at either track. He stated because the horse was a Main Track Only, his rider is not actually in the body of the race. He was granted a pass.

At 12:45 the Test barn notified us of an issue regarding administration of Lasix to a horse earlier than required. The administration of Lasix was at 10:47. The horse in question was Little Deuce Coupe 8th race, trained by Michael Cohen. The horse is a Stewards' scratch. We requested a report from test barn.

J. Alderson excused from his mount today.
